

## Système de communication sans fil

Jassim Sarah Julien Eliarisoa Adam 01/04/2025

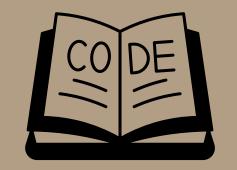

# Etapes du projet

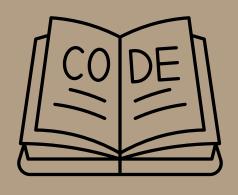

Schéma de connexion

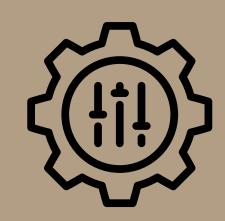

Code Micro 1

Code Micro 2

Configuration de l'environnement

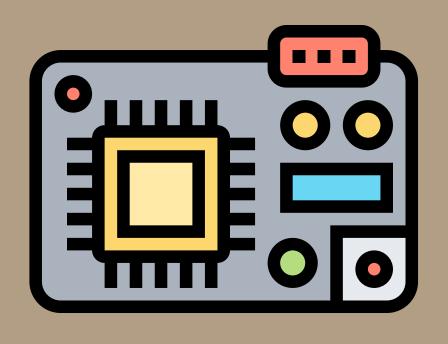

Tests de débogages

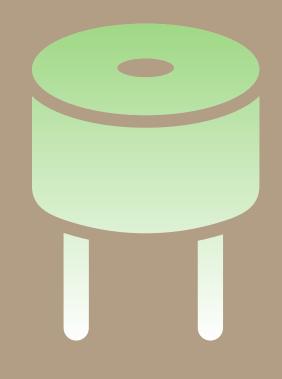

Jassim Sarah Julien Eliarisoa Adam

#### Matériels

Carte stm32

Buzzer

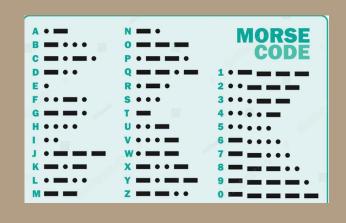

Microphone

Jassim Sarah Julien Eliarisoa Adam

## Emetteur et récepteur

Intégration du code morse

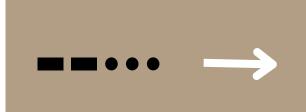

Réception du code morse encodée via la broche A0

Envoie du code morse encodée

Décodage du code morse en texte

Utilisation d'un Timer

Utilisation d'un Timer

4/5

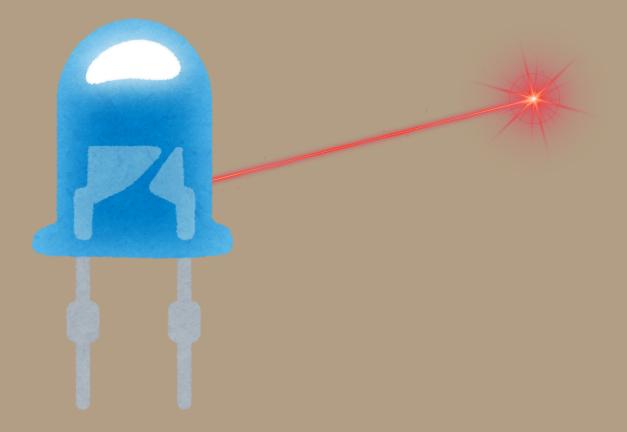

### Conclusion et améliorations

Emission et réception du code

LED infrarouge

5/5 Jassim Sarah Julien Eliarisoa Adam
